## Murdered Infant Found in a Shoe Box in An Old Burying-Ground

The farmers in the vicinity of the Robert Coburn place, on the Mt. Carmel pike, about five miles from this city, are stirred from center to circumference over the finding of a murdered infant yesterday afternoon about 4 o'clock.

The circumstances attending the discovery of the dead body are as follows: A boy named Sherman and a companion set a rabbit trap near a raised vault in the Thompson burying-ground. On going to look after the trap yesterday evening they discovered foot prints in the snow about the vault, which excited their curiosity. Raising the top slab of the vault they

discovered an ordinary paper shoe box and on raising the lid of the box were startled in finding the bloody remains of a white infant child. It had been placed there within the past 48 hours, as the blood on the body was fresh.

Coroner Wood was telephoned to come out at once, but the gentleman could not be found. Excitement is running high in the neighborhood over the cruel and heartless murder of an innocent babe and a searching investigation is being made. The extreme penalty of the law should be meted out to the guilty party when found.

Miss Charlotte Boyer, probably the most noted and distinguished woman in Southern Ohio, died Saturday at her home in Ripley.

She had lived a life of usefulness and her death will mark the passing away of a noble character.

Miss Boyer had filled the Presidency of the W. C. T. U. of Brown county, O., and at the time of her death was the regularly ordained pastor of the Chillicothe (O.) Methodist Church.

The deceased had many friends in this city who will mourn her death.

She has been heard in this city in behalf of temperance as well as that of the gospel.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. ## NARROW ESCAPE

## Hunt's Drygoods Emporium Came Near Having Disastrous Fire

Saturday Mr. H. L. Houghton, decorator at D. Hunt & Son's drygoods store, was trimming the wick in a coal oil stove and in some manner the thing became ignited and a big blaze was the result.

For a time things about the big store had a squally look.

It seems in his excitement the young man lost his head, and had it not been for the presence of mind of the colored porter in picking up the burning stove and throwing it out of a third story window, the chance is there would have been a big and costly fire to have reported this morning.
